

share **our** spare™

TURN extra INTO **extra**ORDINARY

2020 Annual Report

Dear Friends,

THROUGHOUT the hardships and uncertainties this year, the Share Our Spare donors, volunteers, staff, agency partners and Board have surrounded Chicago families with resources, advocacy and, most importantly, hope. Thank YOU for your contribution towards serving our children, it has been an EXTRAordinary year despite the challenges.

Through strong partnerships in the community, Share Our Spare has remained on the front lines where we continue to witness the ongoing impact of our essential services. Not surprisingly, the need grew exponentially for families already struggling with financial insecurity. Our support created a valuable safety net. Whether that meant delivering essential items, financial relief, unburdening added stress or the simple knowledge that the Share Our Spare network cares, shows up and continues to invest in their well-being.

This year we distributed an unprecedented 1.2 million diapers, more than the past 8 years of service combined. We also more than doubled the number of children served to nearly 40,000, as the requests for support from the community increased. However, delivering hope remains the outcome of our efforts for which we are most proud. As you read this letter and flip through the pages that follow, my hope is for you to see the work we have accomplished this year, a sense of the urgent need that lies before us and our goals for 2021 and how, with continued support, we'll be able to serve more children. You will see the faces of the children and families we've impacted, as well as insights from some of our 55 agency partners. We hope you will be inspired to help us do even more in the year ahead. For us, that means finding a way to serve the additional 42 agencies and more than 30,000 Chicago children currently on our waitlist.

We have big goals for 2021 as we celebrate 10 years as an organization – an amazing milestone! Many of you have been with us since we began this journey distributing supplies out of a garage. This year, we hope you'll be part of an exciting new next chapter of growth with the opening of our new "Sharehouse." This new space will increase our operational efficiencies, allow us to support more agencies all while improving the level of service we give all partners.

Thank you, from the bottom of our hearts, for being a part of our EXTRAordinary community.

Warmly,

ALEX GOODFELLOW | Executive Director

Our Impact **IN ACTION**

“Our families requested assistance and essential items to have some economic relief to their household budgets. However, our parents received an additional benefit, emotional support. Having the knowledge that both program staff and agency partners are invested in their family’s well-being aids in bolstering their internal morale. Parents feel supported, which provides space for positive parenting, more quality time and less frustration. As a program we could not be more grateful. This is how community works, together for the greater good.”

– BRIANNA FROM TURNER BIRTH TO THREE

At Share Our Spare, we believe that ALL children are OUR children, which guides everything we do as we seek to create new models and ways of thinking to make the world a better place. We are advocates and defenders of children, guided by a shared sense of humanity, a deep responsibility to care for all children, and a passion for improving the lives of children living in poverty.

In a year marked by the COVID pandemic, serving the critical needs of our community took on a new sense of urgency.

WE ARE A MOVEMENT
calling for change.

- We are **PARENTS.**
- We are **EDUCATORS.**
- We are **VOLUNTEERS.**
- We are **PROBLEM SOLVERS.**
- We are **CHANGE MAKERS.**
- We are **CHICAGOANS.**
- We are **YOU.**

“We are very grateful for [you] providing essential things for our son [and it] has been so helpful in these difficult times.”

– THE SEGURA/
CARDENAS FAMILY

Our MISSION

Share our Spare remains focused on a very simple principle: to ensure every child in Chicago has the essentials they need to thrive in the first five years of life, shifting parents from crisis management to caregiving.

We support this mission by collecting new and gently used baby items from those with “extras” to spare and distributing them to families living in poverty through a growing, sustainable network of passionate volunteers, community stakeholders, and social service agencies. The items we provide are more than just handouts – they are essential to the long-term health and wellbeing of children and their families.

The impact in 2020 on both the families and agencies aligned around this mission? **extra**ORDINARY.

A SIMPLE NEED with Dramatic Consequences

Families served by Share Our Spare all experience a common, and often overwhelming need for one primary essential – clean diapers. It’s a hidden, yet pervasive consequence of poverty, costing an average family \$70 - \$80 per month.

Providing an adequate supply of clean diapers for a child alleviates stress on their caregivers, decreases expenses for low-income parents and most important, eliminates the potential of severe health conditions for children, such as dermatitis, urinary tract infections, as well as emotional stress. Unmet diaper need is cited as the number one mental health stressor for new moms – and current government assistance programs don’t include diapers.

When parents don’t have clean diapers, they are forced to keep babies in them longer than is recommended, must reuse soiled diapers, use other materials like plastic bags, newspapers, towels or other clothing to meet their need. Through our agency partnership service model, we deliver a vital support system for families who struggle to provide not only diapers, but the very basics for their children.

2020 Program Goals:

COVID-19 brought many unexpected needs to our community in 2020. This need, exacerbated among the children and families we serve and those we had not previously served, challenged Share Our Spare to amend our goals and increase response and support through a variety of new community sites and modified services.

1. DISTRIBUTE 1 MILLION DIAPERS (RAISED BY 500K DUE TO OVERWHELMING NEED)

2. DISTRIBUTE 750K ESSENTIAL SUPPLIES

3. SERVE 20,000 CHILDREN

600,000 additional essential items have been distributed

What Makes Share Our Spare **SPECIAL**

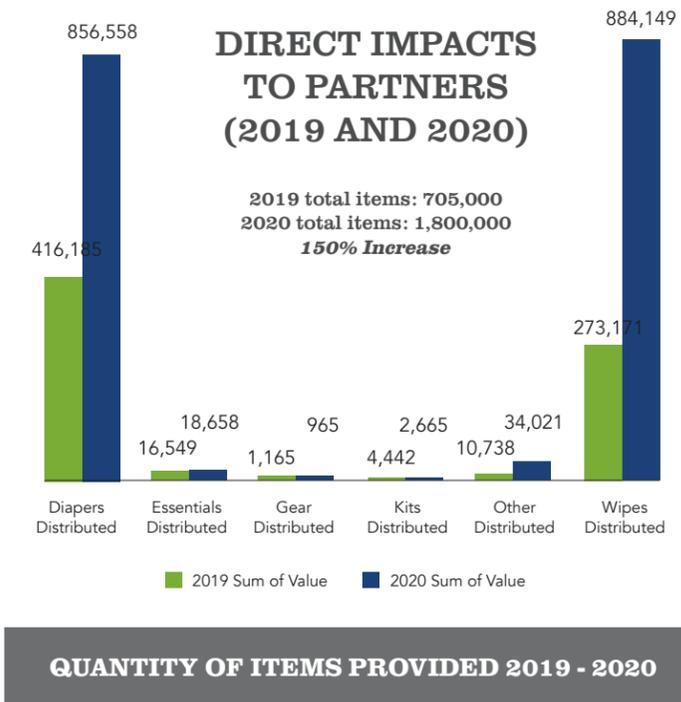

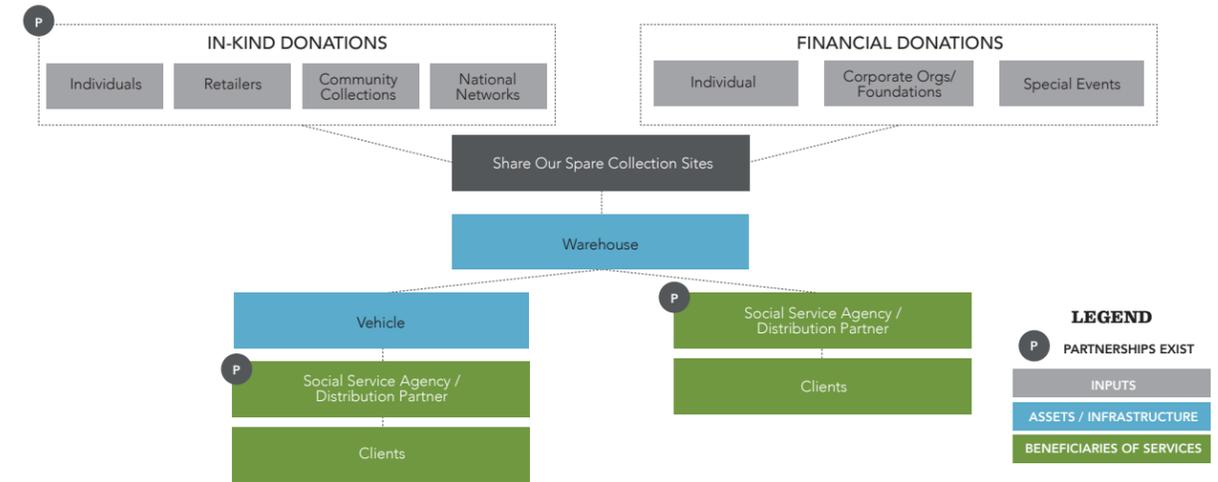

No parent should have to choose between diapers or food for the child or paying a bill. And yet many do, every day. Share Our Spare functions as a strong and reliable safety net. We support Chicago families when they need it most by providing the resources to reduce the stress that comes with providing essential items so they can focus on delivering the love, safety and security every child needs and deserves to thrive.

Proudly homegrown, our mission remains rooted in supporting Chicago families. We identify and bring together community organizations that support one another to meet a common goal: to serve Chicago's children. Our amazing network of agency partners and volunteers allows us to keep operating expenses low. As a result, 90+ percent of donated funds and 100 percent of donated supplies go directly to agency partners for the benefit of their community families. This past year has seen unprecedented demand for our network services – and a growing waiting list for other agencies needing our help. Here's a snapshot of how donated funds were distributed.

% BY CATEGORY 2020

OUR OPERATING MODEL

"I am very grateful for all the help received during these difficult COVID times!"

-KAMILA A.'S MOM

A LOOK AHEAD: Celebrating a Decade of Child Advocacy

Since 2011, we have helped hundreds of thousands of children across metro Chicago not just survive, but thrive. We've reduced stress and delivered hope. Over the last 10 years, the words of the families we've helped inspire us every day, with every donation.

*"It's not just a box of diapers.
It's a window of opportunity."*

– NEDDIE, MOM OF NEWBORN TWINS

*"It's not just a high chair, it's
building the foundation for a
lifetime of families meals together."*

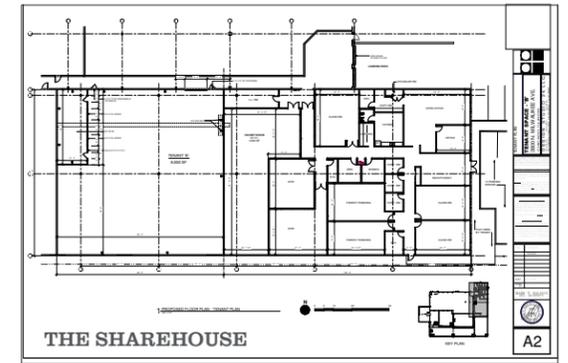

– NATHAN, DAD OF A TODDLER
AND FIVE-YEAR-OLD BOY

*"It's not just a Pack 'N Play,
it's a safe place to dream."*

– GLORIA, MOM OF A NEWBORN BOY

In 2020, despite the many challenges we all faced and the increased health and safety precautions required, we proved the agility of our operating model and the strength of our community network. We pivoted efforts to quickly and efficiently meet the unprecedented needs of Chicago communities during the pandemic. As a result, we served the most children in the history of Share Our Spare. Our growth and work continue without skipping a beat.

This year, we have set bold goals to increase our organizational impact, expand our network, strengthen community partnerships and build on the momentum of 2020 programs.

2021 GOALS

- WE WILL OPEN THE DOORS TO A NEW, LARGER 'SHAREHOUSE' in May to house purchased and donated supplies, improve our operating efficiencies and delivery logistics.

- Through ongoing funding initiatives, we hope to ONBOARD MANY OF THE 42 ADDITIONAL COMMUNITY AGENCIES currently on our waitlist.

- We will EXPAND THE BREADTH OF OUR REACH by creating Community Councils in several Chicago neighborhoods to help us expand awareness of our services, participate in events and support our mission.

- We are SPEARHEADING AN ILLINOIS DIAPER BANK COALITION with seven other agencies throughout the state to advocate for and drive awareness around unmet diaper need – working to support policy, share resources and identify areas for growth and partnership.

- We will work to STRENGTHEN AND GROW OUR PARTNERSHIPS, be more intentional to the network we currently serve and seek to implement best practices throughout to really understand Chicago communities and their evolving needs.

We start 2021 energized and optimistic about where we've been and where we're going. And we sincerely hope we can continue to count on you for your advocacy of our efforts and your financial support of our mission.

A CHILD NEEDS YOU Now More Than Ever

65,000

CHILDREN IN COOK COUNTY LIVE IN POVERTY.

93% of families

FEEL LESS STRESSED ABOUT PROVIDING
ESSENTIALS FOR THEIR CHILDREN BECAUSE OF
SHARE OUR SPARE SUPPORT

58% of Chicagoland families
HAVE LOST HOUSING OR EMPLOYMENT
DUE TO THE COVID PANDEMIC

Together, we can fund more community agencies and deliver critical supplies to Chicago's children. Every dollar counts and we need your help to do more.

How You Can **HELP**

1. SHARE**extra**MONEY

This year, thanks to our generous donors, we provided 650,000 essential items and more than 1.2 million diapers to Chicagoland families in need. Financial donations create the agility to shift as the needs of Chicago communities' shift. They supplement donated "extras" to ensure we can always meet the needs of our agency partners – and their children -- no matter how large those asks become or what challenges lie before us.

Donations of any amount save a parent from having to make the heart wrenching choice between diapers or food – and 91% of ours go directly to support Chicago families.

2. SHARE**extra**STUFF

At Share Our Spare we understand how your "extras" can make an extraordinary difference, and that the simple act of sharing your extras can change a child's life.

When you donate your new or gently used items you are providing children with the basics they need at a pivotal time in their childhood. We closely inspect each donation to ensure that it is free of stains and holes and that all baby gear is safe, clean and ready to use. With your help, we ensure that every item distributed meets our quality standards.

3. SHARE**extra**TIME

One of the most valuable gifts you can offer Share Our Spare is your time.

We believe that change agents come in all ages—in fact, some of our volunteers are as young as six years old. We offer many family-friendly opportunities that help teach children how meaningful it can be to give back to the community, like helping to sort donations or assemble kits for newborn babies. We also welcome groups large or small who want to volunteer as a team.

VISIT SHAREOURSPARE.ORG TO LEARN MORE OR FOLLOW US @SHAREOURSPARE ON FACEBOOK, LINKEDIN AND INSTAGRAM AND JOIN THE CONVERSATION!

Share Our Spare never skipped a beat and has remained available through this whole pandemic to continue to help those parents hit harder with rougher financial times. Thank you for always being here for our patients!"
