Sponsorship Opportunities

Our annual Music Trivia is a PARTY with a PURPOSE, bringing participants together for great music, games, raffles, and challenging trivia, in support of a strong start for every Chicago area child. Your sponsorship helps ensure another successful event!

About Us

Share Our Spare (SOS) ensures every Chicago area child, ages 0-5, has the essential items they need to support their health and development and equip them for a strong start. SOS activates community impact through empowerment, innovative solutions, and a network of partners, so that children can thrive and families can shift from crisis management to caregiving with dignity. As a result, we help lay the foundation for a resilient and equitable community.

Through a network of agency partners across the region, we distribute diapers, baby care items, clothing, books and other resources that families in financial hardship often struggle to afford and social service agencies often struggle to provide. We also are focused on educating, advocating, and seeking solutions for combating inequities and empowering every family to thrive.
